

Bouquet is a concentrated air-freshener which has a unique formulation to provide an effective yet economical air-freshening odour-eliminating process. Also provides long-lasting fresh results (up to 4 hours of long-lasting freshness).

Bouquet is perfect for use in all areas where odour control is paramount. It is capable of eliminating unpleasant smells at the source which prevents them from returning and leaves you with a refreshed pleasant smelling surrounding. Smells have the strongest effect on how we feel, especially when it comes to freshness. As well as odour eliminating properties, Bouquet has built-in antibacterial agents that eliminate 99.9% of bacteria.

Bouquet refreshes large soft furnishings or items that cannot be washed in the washing machine. We always suggest you carry out a 'Spot Check' (test on an inconspicuous area prior to use). Bouquet will tackle and remove the pet odours on fabrics.

Our product does not contain CFCs and is a non-aerosol formula. We recommend you use it in a trigger-spray to distribute.

Bouquet is available in 6 pleasant fragrances: - Apple, Bubblegum, Cherry, Freesia, Lavender or Lemon.

Available in 2.5ltr containers. Biodegradable. Cruelty Free.

Use biocides safely. Always read the label and product information before use.
