

OdourSolv – concentrate, highly powerful and effective deodorising fluid that cleans, degreases and tackles odours at the source.

For industrial, environmental and professional use.

OdourSolv destroys offensive odours, typical areas:

- Refuse Tips
- Offal Treatment Plants
- Dustbins
- Hard Surfaces
- Garbage Sites
- Sewage Farms
- Waste Storage areas

OdourSolv provides odour control whilst cutting through grease, grime and dirt. The sweet smelling lemon fragrance refreshes drains, toilets, urinals, even settling tanks.

Available concentrate.

Available in Lemon.

Available in 5ltr and 25ltr containers.

Key Features:

- Odour Destroyer
- Powerful Cleaner and Degreaser
- Effective Grime Remover
- Effective Toilet & Drain Freshener
- Rapid Action
- Biodegradable
- Cruelty Free

USES / DIRECTIONS

General Use: 1 part product to 50 parts hot water. Spray liberally over affected areas – always spray at the source of odour – will cut through and lift grease, grime and dirt.

Deep Cleaning: Use neat in toilets, urinals and drains - flush prior to use and never mix chemicals!

Use neat on refuse / garbage / offal dumps. Drip feed into sewage - will not affect the working of septic tanks.

NB: Corrosive to aluminium and aluminium alloys.

Always refer to the manufacturers' instructions.
