

BLC – concentrate beer pump, cellar tank and pipeline cleaner.

Powerful and effective cleaner and sanitiser for beer pumps, cellar tanks and pipelines.

For industrial and professional use.

BLC is a heavy duty inorganic cleaner and sanitiser that decomposes proteins, cuts through grease, grime and dirt ensuring even the most stubborn soils are removed. Helps prevent fobbing and ensures beer tastes in top condition.

Suitable for pressurised dispensing equipment, traditional hand pumps and for use on taps, connectors and ancillary items.

Available concentrate. Cold or hot water compatible.

Available plain or coloured. Neutral only and taint-free.

Available in 5ltr and 25ltr containers.

Key Features:

- Powerful Pipe / Tank Cleaner
- Effective Sanitiser
- Effective Grime Remover
- Rapid Action
- Distinctive Colour – coded trace
- Taint-free
- Biodegradable

USES / DIRECTIONS

General Use: Cold water compatible and formulated to clean and sanitise pipes, tanks, taps and ancillary items. 15 minute contact time is required to be fully effective. Always rinse after use.

Beer dispense equipment: add 2 fl. ozs. per gal. / 60ml per 4.55 litres of water at temperatures of up to 60°C. Fill the system and leave to soak for 30 minutes. Rinse thoroughly with cold water.

Cellar tanks: Pre-rinse with cold water. Add 1 1/2 fl.ozs, per gal. / 45ml per 4.55 litres of water at temperatures of up to 60°C. Spray or circulate for 15 minutes. Rinse thoroughly with cold water.

For coloured BLC: Flush pump system thoroughly until water runs clear and no trace of red colour is visible.

NB: Corrosive to aluminium and aluminium alloys. Product is caustic and causes severe burns. Always refer to the manufacturers' instructions. Always wear the correct PPE.

TECHNICAL SPECIFICATIONS:

Composition: <30% anionic and non-ionic emulsifiers, chelating agents and soil suspending agents.

Activity: 20% **S.G:** 1.10 **pH:** 12 - 13 **Viscosity:** 37 centistrokes

Appearance: Clear liquid **Colour:** Clear or Blackcurrant Red **Odour:** Neutral / Odourless

Shelf life: Indefinite at room temperature. **Packaging:** 5 litres or 25 litres

Storage: Store upright, away from heat, direct sunlight and out of reach of children. Do not allow to freeze.

Always refer to the label and safety data sheet before use! Never mix chemicals!

In accordance with our Policy of incorporating technical improvements we reserve the right to amend any specification without notice.
