

Lavisan – Concentrate Bathroom and Toilet Cleaner

Lavisan is an effective quaternary ammonium type cleaner-sanitiser for the bathroom / shower and toilet area, urinals, port-a-loos and bedpans.

Lavisan cleans and disinfects, provides fast hygienic and fresh results. It is pH balanced, non-corrosive, non-abrasive, non-staining and provides rapid action against bacteria and fungi.

Lavisan is capable of destroying harmful micro-organisms, preventing cross-contamination and kills upto 99.9% of all known bacteria. Provides effective cleaning and sanitising action against gram positive and gram negative bacteria such as escherichia coli, pseudomonas aeruginosa, staphylococcus aureus and enterococcus hirae, as well as aspergillus niger, chlorella vulgaris and candida albicans.

Bacterial growth starts to reduce within 5 minutes of contact time, in dirty conditions, at a high dilution of 1:120. Fungi dilution 1:50 and yeasal dilution 1:100 require a minimum of 15 minute contact time to be fully effective.

No rinsing required. Sold Concentrate.

Available in Lavender fragrance.

Available in 5ltr or 25ltr containers.

Use biocides safely.

Key Features:

- Effective gram negative and gram positive bacteria eliminator - kills 99.9% known bacteria
