To make 1 litre of shampoo:
mix 25ml (1 full pump depression) to 975mls water
– suitable for small animals.

mix 50ml (2 pump depressions) to 950mls water
– suitable for larger / dirty animals.

5 litres of product will give you approximately 200 washes
(100 washes for larger / dirtier animals).

Average cost per wash 9p & 18p.

1x5ltr Conditioning Shampoo costs £18.75 net.

2-in-1 Conditioning Shampoo to enhance and invigorate. Available in a modern fresh burst fragrance. For professional use. A luxurious formula to aid in the cleansing, dirt removal and coat conditioning of all coats. Our rich, creamy and silky feeling lather will cleanse and add moisture whilst providing excellent softness to skin and fur. Suitable for all dogs and animals big or small, even those with long or curly hair –helps to hold the curls. The added blend of conditioners will help to wet comb and de-tangle fur with ease. The softness and lustre to the coat is enhanced and will leave it looking and feeling silky soft and shiny. Our formulation prevents frizz, static build-up, is non-sticky, easy to apply, easy to work with and easy to rinse leaving no build-up. It will also help treat and prevent dry, rough and itchy skin – signs that are usually associated with dermatitis and eczema.

Application:

Start with a damp coat - wet the animal all over. Apply a small amount to your hands and distribute by rubbing all over from the neck down. OR place product, approx. 25ml to 50ml, directly into a measuring jug (usually 1ltr size), top-up with warm water, mix well and pour slowly whilst rubbing into the coat, again start from the neck down. Rub all over, adding further shampoo and water if needed. Work into a lather distributing the product on all desired areas to be cleaned. It is advisable to use more product if the level of soiling is heavy. To achieve maximum activity, leave the shampoo on the coat / fur for at least 2 – 3 minutes before thoroughly rinsing off all the suds. As with all shampoos, take care around the eye area! Should the product get into eyes, rinse thoroughly with clean running water.

All our own label products are Biodegradable. Vegan Friendly and Leaping Bunny Approved by Cruelty Free Int - no animal testing has been carried out. No animal ingredients used.

Composition: Natural and sodium salts, Vegetable glycerine, coconut diethanolamide from coconut oil, sodium chloride, conditioning agents, polyquaternium 7, pearling agent, perfume and <1% Paraben FREE preservative – a quality preservative that works well against bacteria, yeast, mould and fungi to guarantee longevity of the product and blends well with natural raw materials.
